

RIDE 2 ACHIEVE (R2A) MEMBERS POLICY

1. R2A seeks to provide bespoke support to disabled riders who wish to achieve their full riding and therapeutic potential. Members are actively involved in shaping the agenda and objectives of the charity.

Membership Criteria

There will be two classes of membership (full voting and junior).

2. Full voting members should

- Be aged 18 or over
- Be individuals residing in or having connections with the group area
- Have a real interest in furthering the objectives of the group (e.g. volunteers, staff, committee members)

3. Junior members should

- Be under the age of 18
- May be volunteers or riders

The Role of the Member

4. Voting members can:

- Attend the Annual General Meeting (AGM).
- Vote on any motion tabled at the R2A AGM.

5. Junior members can:

- Attend the AGM but can-not vote.

Voting

For any vote to be passed at least 30% of the membership must be in attendance. The majority decision carries the vote. A decision can be made by the committee outside of the AGM as long as the Quorum (3 committee members) vote in favour. Once more than 3 trustees are appointed the majority vote carries the decision.

Register of Members

5. A register of members of Ride 2 Achieve must be maintained by the group Secretary. This will include:

- Full names of members (indicating Junior or Full voting members)

- Date of birth of a junior member.
- Date of birth of a Full voting member or a statement that they are aged 18 or over.
